New Business:

- After discussion it was Moved by Commission Frizzell, seconded by Commissioner Mullen that the village provide funding for the July 1st parade insurance with Clare Mutual Insurance at accost of \$1,090. Motion Carried
- With regard to the “all inclusive flag” request, there was agreement to supply the flag with a request to be made to Water Front Development Committee to hoist on their flag pole.
- Clerk provided response to the fountain issue stating that it was private property and beyond our control, however, no other issues have been brought to out attention.
- Following discussion on assuming title to the RBC building it was felt that without a guaranteed means of maintaining the building that it would not be practical for the Village to have another building to support.
